

## REGISTRATION INFORMATION

Dear Parents,

SSO Travel registration is designed to ensure players are committed to the team for both the Fall and Spring seasons, as well as ensure that parents fulfill their obligations to the program. Please read this information carefully!

- ❖ When a player is assigned to a team, the parents will have until Thursday, June 15<sup>th</sup>, 2017 to return the SSO Travel Registration Form and payment to secure their position on the team. The US Club Soccer form must also be downloaded/printed, filled out and mailed by this date as well if it was not completed at tryouts. If you do not decline by this date you will be committed to the team your son/daughter is assigned to!
- ❖ Players not assigned to a team will be placed on a waiting list in order of try-out ranking.
- ❖ The next ranked player will be moved up to replace any player who chooses not to participate on the team they have been assigned to. The highest rank player on the waiting list will then be moved on to the last team selected.
- ❖ The registration fee required to secure the assigned position will include both Fall and Spring registration fees, and one pair of tickets to the Reverse Raffle. For example:
